Old Business:

Celebrate Ag Day - It was the 15th year and a beautiful day with an increase in hay rides and fewer breakfasts. The overall increase in attendance was noticeable by the number of families with young children. Celebrate Ag is all set to go for next year.

Meeting with Superintendent Toth - October 7th, Paul, Richard, Reva, and Doug met with Mr Toth regarding the 8th grade visit to Killingly Ag. Mr Toth was enthusiastic about agriculture being integral to Woodstock. He committed to having the 8th grade, the counselor, and himself visiting Killingly this fall.

Town-Owned Property Map - Judy has finished updating all the info. Stewart is working on the actual map. Reva has emailed CC and Open Space to see what they want to do with the info and perhaps get NECOG to put the soils map on the parcels. She hasn't heard back yet.

Selling Town-Owned Properties - Stewart went to the public hearing and requested that WAgC become part of the process as it post-dates earlier ordinances. It now goes to town meeting.

WINY - Stewart spoke to Gary O who offered to reschedule the meeting. They agreed that, in the future, WAgC would call WINY when we have an issue/event that we want to air on the radio.

New Business - There was a short discussion of the upcoming Windham County Farm Bureau Meeting later this week.

Adjourn 1:30pm - Lynn motion, Stewart second.
